

CLGA Junior Director Report September 2023

JUNIOR GIRLS CAMP: July 13, 2023 GolfFuture YYC

Summary:

COST: \$70.00 Includes: 2 hours lessons 9:00 am, Lunch 11:00 am, Hit balls, golf 9 holes (several girls did the putt putt golf and enjoyed that). The Golf instructor was excellent with the girls. We attempted to organize another Sunday afternoon play day but only had one signup so that was a bust – summer was too busy) However, all mothers suggested it was good to have the girls play with other girls as that is what they needed.

Number of attendees: 7

Low Gross winner – Anna Cai

Low Net winner – no champion decided as no girl had a handicap

Suggestions:

- Have a booth/table? At the Golf show for all CLGA events including the junior girls
- Hold it during May or June (so not to compete with weeklong camps during the summer)
- Hold Multiple Play dates on weekends during May and June (play, not necessarily coaching is required)
- Team up with other Clubs
- Advertising: We started a FB page
- Banners over major road ways or on major Intersections or corners -> \$578 per banner [5 - \$2890.00, 3 - \$1734.00] – in May/June
- How do we get noticed? Ideas?
- Posters?? Questionable about how useful they were as they are fairly small
- Cost should include feeding CLGA rep

Maple Leaf Tour Junior Girls Championship Carstairs: Par 72, Ydg 5633, Slope/Rating 135/72.2
