

Greetings ladies,

My name is Cindy Beaudet, and I am your current President of the CLGA. Yes, another year has come and gone, and I am still here. The reason is we do not have a Vice President to take over my role and move me to Past President.

I often get asked what do I get as a member of the CLGA? You get access to great tournaments and events for Armatures, Senior's juniors, and non-competitive golf. All for \$3.00 bucks. Quite frankly you can't even get a coffee for 3.00 bucks. Nowhere else in Canada can you get this type of organization. Right now, we have a member currently competing in the USGA Seniors, Celina Lam currently playing out of the Canal at Delacour. What a great opportunity for her. Celina has never taken a lesson and competes in all our tournament's. She is a great ambassador to women's golf and the CLGA. Way to go Celina!!!

This year has been a fantastic year for golf the weather was great, and our tournaments and events went off without a hitch. This could not be done without the support of a great board of directors.

All our events are oversubscribed, and the best of the best get into our tournaments.

We had another very successful year with Champs, and I'd like to thank Karen Lavoie for her continued commitment to the CLGA and Champs. The Champs wind up was full and Turner Valley did a wonderful job as our hosts. Thank you again to turner Valley and their team.

Our last tournament of the year was the tournament of Champions hosted by Country Hills Was put on by our latest team member Janine Engelhardt. I hear it was a great event and we got it in without any rain.

I'd like to take a moment to express my gratitude to the current board of directors who do a fantastic job and take time from there game and family to work with the CLGA. However, we need our membership to step up and take some leadership roles with the board. It cannot continue this way. We are currently looking for 2 roles to be filled, Secretary and Vice President. Please see me if you're interested in taking on a role with the board it is very fulfilling.

Thank you for coming out tonight we really appreciate you making the time

Cheers

Cindy Beaudet
President
