### CLGA Vice President's Report

The main duties of the Vice President are to assist the President as required or requested and to book rules officials for the City Amateur and the Senior City Amateur.

This year, in my role as Vice President, my main activities were:

I assisted on the committee responsible for setting up the new CLGA website.

In connection with the new website, I set up the new storage account for CLGA documentation.

I served on the committee involved with creating the new CLGA logo.

I retained rules officials for the City Amateur and the Senior City Amateur.

I was also involved with discussions with the City of Calgary and Alberta Golf Association in connection with possible joint initiatives with the CLGA.

I am looking forward to a second year as Vice President assisting Cindy Beaudet in her role as President.

Nancy Brooks  
CLGA Vice President.
