Held at The Glencoe Club

Joanne Saunders called the meeting to order at 7:03 PM.

Joanne Saunders summarized the fact that most GM's in the city are in favour of charging \$25 per person per round for the Medalist series. The CLGA is a non-profit organization and we have already completed our budget for the year. Therefore a change such as this at the start of the golf season has a large impact on the CLGA. It was decided that a strategy needed to be devised to deal with this situation.

Group discussion followed and included many important points that can be discussed with the GM's. Joanne Saunders will set up a meeting that will include Karen Saunders, Joanne Saunders and Debbie Cook. Joanne Hruska will summarize the talking points that were discussed.

A tentative schedule for Medalist was provided by Cheryl Inkpen but not all of the dates and venues are confirmed. It was also noted that there is a potential schedule conflict between a Medalist event and the Tournament of Champions.

Monika Jansen adjourned the meeting at 8:08pm

Respectfully submitted by Joanne Hruska,

Treasurer, CLGA
