

Calgary Ladies Golf Association Spring AGM: May 9 2024

**Report: 5 YEAR PLAN CLGA EVENTS**

2024 is well under way and we are excited for our CLGA Line Up for our Events! First, I would like to thank the General Managers, Boards and Professionals at our Member Clubs for answering the call when we ran into some last minute changes last fall.

Being the 5-Year Planner over the past 6 years has been a great experience in Communication and Negotiation. We are continually trying to learn how to improve our communication with the decision makers at our Member Clubs. A strategy I have found the most effective, but not bullet proof is to get ahead of the calendar. On the CLGA Website there is a 5 Year Plan that I update when things work out or suddenly change. The Clubs are contacted and informed with who has hosted the previous year, who is hosting the upcoming year, and who we are looking at to host the following year. This communication has been helpful to show our Member clubs gratitude and how all clubs are working together to share the hosting of CLGA Events.

With that here is our line up for 2024:

Calgary City Ladies: Priddis Golf and Country Club, June 24-26 2024  
Calgary Senior Ladies: Glencoe Golf and Country Club: August 13-14, 2024  
Calgary Junior Ladies: Turner Valley Golf Club – MJT, August 1-2, 2024  
Tournament of Champions: Canyon Meadows Golf and CC Sept 12, 2024  
CHAMPS WindUP: Highwood Golf Club Sept 9, 2024

Looking ahead to 2025:

Calgary City Ladies: Calgary Golf and Country Club: Mid-End June 2025  
Calgary Senior Ladies: \*Canal Delcour End July-Early August 2025  
Calgary Junior Ladies: MJT Partnered Event  
Tournament of Champions: \*Bears paw Sept 2025  
CHAMPS WindUP: Silver Springs \*Sept 2025

Also, looking ahead and in response to more opportunity for CLGA Players: we hear you! We are looking to find a way to create/blend a 1 day event, to start, for our CLGA Mid-Handicap players. Mid-Handicap players are those who are (not set in stone) 12+ Handicaps who seem to get bumped out of our events to being over subscribed with respect to the “taking lowest 96 handicaps” to fill the field. Another area where we can try to bring more opportunity is to try to Add a Senior Flight in the Rileys Best Ball!

**THE LIMITING FACTOR TO ALL OF THESE IDEAS WILL ALWAYS BE ACCESS TO TEE TIMES AND GOLF COURSES.** Luckily, and somewhat not, Golf is growing and Women participating in golf is one of the highest demographics. Access to clubs and clubs getting a benefit from hosting an event is the balancing act we are in now and for the foreseeable future. SO, IF YOU WANT MORE OPPORTUNITY FROM THE CLGA, WE NEED TO HAVE WOMEN CLUB MEMBERS TO **ADVOCATE WITH US.** Share my contact information, share our website, share our video and always share your experience and stories with your club at all levels from players to Boards to Administration.

We would like to hear from you as players, hosts, Head Pros, and GMs on how we can bring more value to your club when hosting? Do you feel you get value from your entry fee? Understand that an increase of entry fee goes directly to the host club and NOT the CLGA.
