

GUIDELINES FOR CLUB CHAMPS REPS

The following are intended to help you to carry out your responsibilities as a **CHAMPS REP** for your Golf Club.

- You will receive the initial CHAMPS Schedule from the CALGARY CHAMPS COORDINATOR
- Check home games taking maintenance days, tournaments and special events into consideration with your Club's Ladies' calendar.
- Contact your Head Pro with the schedule of home games to ensure there are no conflicts.
- Confirm your HOME game schedule dates and tee times with the CLGA CHAMPS COORDINATOR
- You will receive the final CHAMPS Schedule with dates and tee times from the CLGA CHAMPS COORDINATOR
- If needed by your club, give your Head Chef a schedule of home games to confirm lunch numbers (8) and time. Meals will be ordered off your menu and paid for by each participant.
- Inform your Ladies Section about the CHAMPS schedule and arrange for four players to attend each Match. Ideally two "A" players and two "B" players will be available but if not, please refer to "Rules & Regulations, CHAMPS".
- Post CHAMPS Rules and Regulations in your Locker Room and give the players the Guidelines for CHAMPS Players.
- For each match, appoint a GAME DAY CAPTAIN. The Day Captain will let their CHAMPS representative know the results of the matches, who will email the CLGA CHAMPS COORDINATOR with the results from both the A & B Matches. Both A and B scorecards should be returned to your CHAMPS representative and kept in the event of a dispute. Both teams, regardless of a win or loss need to email the CLGA CHAMPS COORDINATOR.
- At least one (1) week prior to each match, the Club CHAMPS Representatives from the two clubs should **CONFIRM GAME DATES AND TIMES**, exchange names, indexes, and telephone numbers of their players. The CLGA CHAMPS coordinator does not need to be included in this exchange. **At this time the handicaps are frozen**. The Rep for the Home Club gives the names and indexes of her players and the visiting players to her Pro-shop who can then have the score cards ready with handicap strokes on the day of the match. The names and telephone numbers will also be useful in case of inclement weather or other unforeseen circumstances. Make sure your "Game Day Captain" has this information for the visiting players.

The CLGA tracks participation numbers in our events and in order for us to know how many different players from your Club played in CHAMPS this year, please maintain the tracking form found in the link below and return it to me prior to our Fall AGM.
